Apartment 73 Belle Plagne

Belle Plagne. The Nereids. This charming three-room apartment is simply attractive. Upstairs, it offers you a clear view of the peaks and the ski area. Its south-west exposure guarantees optimal brightness, creating a warm and authentic atmosphere thanks to the use of wood. The layout highlights comfort and tranquility. The two bedrooms as well as the bathrooms are deliberately isolated from the living room, thus creating distinct spaces which promote tranquility. The two balconies offer you the opportunity to take full advantage of the outdoor space, allowing you to immerse yourself in the fresh mountain air while admiring the view. Ideally located at an altitude of 2000 meters, in a residence that combines the comfort of home, access to the slopes from the door and immediate proximity to everything the resort has to offer. A true invitation to savor Alpine life in all its splendor. This property is distributed based on the authorization of estate agencies using a common transaction software. Fees applicable are those of the estate agency who holds the seller agreement (more information on request).
