Apartment 3518 Uzès

Exclusivity STYLES, right in the historic centre! Superb air-conditioned flat in the centre of Uzès, in a quiet location, with garage and swimming pool, a rare find. It takes up most of an elegant old house, mainly the ground floor and the first floor facing the garden. The heavy oak door opens onto a vast entrance hall (with cloakroom) and its stone staircase leading to the living area. Just beyond this is the double lounge with its stone fireplace (open/closed hearth) that opens out onto the terrace and the greenery of the garden. A study followed by a bedroom with en suite shower room and wc also overlook the garden. The second wing gives access to a fully-equipped kitchen with plenty of storage space, a large utility room, a linen room, wc, a garage and a cellar. The first floor comprises 4 suites (each with en suite shower room and storage space) and a vast study opening onto a passageway with a balcony overlooking the garden. The second floor houses a vast master suite overlooking the garden and the listed garrigue in the distance, as well as a custom-made dressing room, a bathroom (shower and bath) and wc. The entire flat is air-conditioned (with the exception of one bedroom) and has gas central heating for perfect winter comfort. A unique and confidential address. It could be considered as a family home, a guest house or part private/rental property or private/office. A rarity in this highly sought-after address in the protected area !
