House 1087 Saint-Christol

In a village between Mont Ventoux and the Lure mountain, stone house between the two main employers in the area (nursing home and army). In the basement there is a huge cellar in several parts, on the ground floor a kitchen open to the dining room and a living room with a wood stove, on the first floor there are two bedrooms and a bathroom. There are two 6 m² terraces in front of the kitchen and a 4 m² solarium in the largest bedroom. A low price for maximum character and space!
