House 3927 Uzès

A unique setting close to Uzès, an incredible natural environment, a house with incredible character... 6,500 m² of grounds with a borehole and around a hundred olive trees, a 12x3.5 swimming pool, and a pine alley leading to the house. What a setting, what an atmosphere, what a change of scenery, all on the doorstep of the ducal city. Comprising a lovely, light-filled living room opening onto a covered terrace and another terrace opposite, a kitchen area, a pretty, light-filled bedroom and a shower room on the ground floor. On the 1st floor there is a cosy bedroom and a space that could be used to create another bedroom, a shower room or a beautiful study, as required. A haven of serenity, so full of the spirit of the south and its art of living... Cicadas, the scent of the garrigue and the sun... it's all there!
