Pretty bastide-style house close to the village and its amenities on foot. This house located at the back of the land allows you to take full advantage of a beautiful garden of more than 900 m², with swimming pool and covered parking. The particularly well-designed exteriors combine Provençal essences and the charm of the stone shed with the modernity of the swimming pool with beach and jacuzzi area. In addition, you have canal water for the garden. The main house from the 90s is made up of a beautiful entrance area with cupboard, a living room of 30 m², a kitchen of 19 m² opening onto the terrace, a WC on the ground floor, a cellar and a charming stone room dating from the last century. On the ground floor there is also an old garage of 16 m² which can be opened onto the living room or remain independent for professional use. The first floor consists of three beautiful bedrooms, an office, a separate toilet and a complete bathroom of more than 8 m². The whole requires refreshing, but its beautiful volumes and its brightness will satisfy you. To visit this property, contact us on 04.90.62.06.06 ref/ 4512
