House 3901 Uzès

Uzès, in a peaceful, leafy area, this single-storey house has been set in incredible grounds of evergreen oaks, olive trees and majestic pines. A swimming pool area has been cleverly integrated into a sunny part of the garden, while a small stone room houses the technical equipment and garden cushions. Finally, there is an open shed for storing wood and the lawnmower. A long driveway leads to a parking area at the rear of the building and the charming maret, which is used for storage (bikes, etc.) and as a workshop. As you enter the house, you immediately notice how well-designed the spaces and circulation are, with everything in its place. A walk-through entrance with wardrobe leads to the different parts of the house: a sunny living room with fireplace, a recent semi-open-plan kitchen and a utility room. Two terraces complete these spaces. A corridor leads to the sleeping area, comprising 2 bedrooms sharing a bathroom (with shower and bath) and a third bedroom with its own shower room, toilet and dressing room. Another terrace, reserved for the bedrooms, offers a bucolic panorama of the property's trees. A timeless place that's a must-see.
