House 12779 Le Revest-les-Eaux

In a green setting, nestled in the heart of a pine forest of almost 4000m2, we offer this Provençal bastide to renovate which develops approximately 180m2 and offers calm and mountain views, 5 minutes from the village. On one level you will enter via a pretty terrace with barbecue area/outdoor oven into the fitted kitchen opening onto a dining room equipped with a wood stove, then the mezzanine corridor overlooking the living room with its large fireplace, bay window on the south-facing terrace, will take you to the bathroom, a fitted dressing area and 3 first bedrooms, one of which is on the mezzanine. On the garden level you will benefit from a 4th bedroom, access to the garage and the boiler room laundry area. An adjoining studio completes the property. Very good potential for this vast country house to visit without delay! More information on 04 94 00 77 77
