## House 3286 Montpellier

Once you pass through the old gate of this beautiful address, you will discover a beautiful mansion, sheltered under high mature trees. Vast volumes, high ceilings, light for the reception rooms and its bedroom suites (seven main rooms). Additional annexes: an independent office space, a superb garden and a backyard that provide sun or coolness, a double garage and service rooms: a laundry room, a gym, a wine cellar ... Unique on this rare address and so close to everything: the classified historical center and all the accesses -entry and exit of the city-. A confidential, rare property, out of sight.
