House 3768 Uzès

A village house with garage, just 5 minutes from Uzès, with breathtaking views! As soon as you enter the house, you'll be seduced by the large, open-plan living room with its fireplace and wood burner. Very bright, it opens out onto the main terrace via a bay window, giving way to a magnificent, unoverlooked panoramic view.

Adjacent to the dining room is a lovely fitted kitchen, then back to the entrance hall, a study, guest wc and a large bedroom with bathroom. A second terrace can also be accessed via this wing. On the second level, there is a beautiful bedroom with its own private terrace, also with spectacular views, another bedroom and a shower room with wc. In addition to the current living space, various vaulted rooms totalling around 90 m² - on the ground floor with direct access to the street - can be converted to suit your needs: office, gallery, studio, etc. There is also a large garage. The charm of this house is unique. A must-see!
