House 106 La Bouilladisse

Come and discover this new feature in La Bouilladisse, in a privileged environment and absolute calm. This house comprises on one level a kitchen opening onto a veranda, a living room opening onto the terrace to the south, On the half floor you will find 3 bedrooms, 1 shower room, 1 WC, as well as a master suite with its shower room and WC. The whole is located on a plot of almost 1000m2, nicely planted with trees, with a beautiful swimming pool area and its summer kitchen with BBQ area, pizza oven, shower and WC. A 25m2 outbuilding also awaits you, independent and not adjoining, in which we can easily imagine a studio (water inlets and drains already present). A nice space at the back of the house allows you to park several vehicles. Some work remains to be done: windows, radiators, interior painting. To visit without delay!
