Mansion 2475 Saint-Raphaël

SAINT RAPHAEL - BOURGEOIS HOUSE - BEACH ON WALK Charming and discreet bourgeois house of classic architecture located in the town center, close to the beaches and the small marina of Santa Lucia, in Saint-Raphaël. Built at the turn of the 20th century, the house has belonged to the same family for several generations. Facing southwest, it benefits from optimal sunshine. Renovation work will allow future owners to take full advantage of the beautiful volumes thus redistributed. Currently, the house consists of six bedrooms on the first and second floors, while the ground floor accommodates entrance hall, living room, dining room and kitchen. A garage and two parking spaces in the annex. From the upper floors, out of sight, you can even see the sea and the small port - the coastline being only 100m away as the crow flies.
