Mas 3641 Saint-Rémy-de-Provence

In the heart of nature, yet close to all amenities, this rare property is built around a main mas of 350 m² with Provencal charm. On the ground floor, beautiful adjoining reception rooms, a guest toilet, a vast kitchen with pantry and an office that could become a bedroom, double garage. Upstairs, 5 bedrooms, 2 bathrooms and another lounge/library. Continuing the mas, a 70sqm doorman house with its own entrance, living room with pellet stove, bedroom, shower room and terrace. Several parking spaces. On the large, secluded lawn, a superb stone swimming pool forms a lovely ensemble with the adjoining orangery, currently housing a bedroom and bathroom. Two horse stalls, a hay barn, a tack room, covered parking and storage areas complete the ensemble. Several boreholes irrigate the property's 800 olive trees and 400 truffle oaks. More than rare.
