## House 1236 Bonnieux

In the heart of one of the most beautiful villages in France, hidden around a charming cobbled street, come and spend your holidays in the sun and discover this house with artistic and totally atypical connotations. The seduction operates as soon as you enter the premises. You will find a living room with a vaulted ceiling, a fireplace adorned with stone, a floor covered with terracotta tiles and opening onto a patio with a certain charm. The kitchen, just as convivial, is a room conducive to sharing with your loved ones. The bedrooms are all en suite and always for the sake of comfort, are equipped with air conditioning. All the codes of the old are respected and in harmony with a current decoration. You will enjoy the pleasantly landscaped exteriors and a beautiful view of the Luberon from the upper terrace while lounging in the jacuzzi after a beautiful summer day.
