Villa 1163 Gordes

On the edge of a hamlet, located in a quiet, but not isolated, environment, discover this superb single-storey family house in dry stone typical of the region. This property offers a large living room consisting of a living room, a dining room and a kitchen. You will be pleasantly surprised by the cathedral ceiling which adds character and creates generous volumes to this living room. In the sleeping area, you will find four beautiful bedrooms, one of which is a master suite and all equipped with quality bedding, as well as a large bathroom. Sobriety and modernity are the common threads in the decoration of this very bright interior. The landscaped garden offers a beautiful living space. The large shaded terrace will allow you to enjoy good meals while admiring the Luberon and a simple dip in the swimming pool will be enough to cool off during the beautiful summer days. Provence is within your reach!
